

MESSAGE CENTER FACSIMILE FAX-333MC

SAMURAI SENIOR

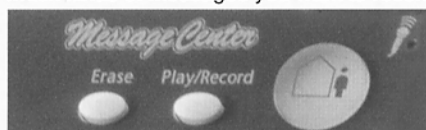

Features

MESSAGE CENTER FEATURES

Selection modes

Message Center mode allows you to store incoming fax and voice messages in a flexible memory.

Message center mode offers you six flexible memory settings, so that you can decide which kinds of messages you want to receive.

Answering Machine Features

- Built-in answering machine with up to 15 minutes of recording time.
- Remote access with ID code.
- Quick access (Play/Erase/Skip/Repeat).
- Toll saver.
- Selectable message length.
- Voice alarm allows you to record a message on the fax machine and have it played back at a time you specify.

Fax Memory Features

- 512KB memory stores up to 20 pages# for:
 - ▶ **Broadcasting**
 - ▶ **Out of Paper Reception**
 - ▶ **Quick-Scan**
 scans in originals at twice normal speed and then transmits them from memory.
 - ▶ **Error Correction Mode**
- Remote retrieval of stored fax messages from any other fax machine.
- Fax forwarding to any other fax machine with the group 3 facsimile.
- Paging function works with most national and regional pagers*

UNIQUE BROTHER FEATURES

- **Key Lock System**
enables the machine to cease sending fax/making a phone call/copy when key-lock is activated, using 4 digit password.
- **Multi Ringing Sound**
Lets you select your favourite music out of four choices for rings.
- **Call Reservation**
allows you to send a fax and then at the end of transmission, you can talk to the other party.
- **Call Back Message**
allows you to send a fax and then leave a message for the party to call you back.
- **Anti-Junk Function***
enables you to prevent unwanted Junk Fax or Call by storing the number in the station memory. This saves paper by not printing out unwanted junk faxes.
- **Night Mode**
receives incoming fax calls without ringing.

- **Anti-Curl System (ACS)**
flattens paper and prevents annoying curling problems.
- **Electronic CoverPage**
generates 4 pre-programmed and 2 programmable messages
- **"Smoothing" Enhanced Image Resolution**
- **14.4k bps High Speed Modem**
for up to 40% faster transmission speed
- **Auto CNG Tone Detection (Easy Receive)**
- **Full Duplex Digital Speaker Phone**
- **Multiple Resolution Transmission**
- **Enhanced Remote Activation**
- **Next-Fax Reservation**
- **Help Key & Telephone index**
- **Hold on Music***
- **Caller ID Ready* / Caller ID Log***
